

# And She Was

## Talking Heads

Hey! And she was lying in the grass  
And she could hear the highway breathing  
And she could see a nearby factory  
She's making sure she is not dreaming See the lights of a neighbor's house  
Now she's starting to rise  
Take a minute to concentrate  
And she opens up her eyes The world was moving she was right there with it and she was  
The world was moving she was floating above it and she was  
And she was  
And she was drifting through the backyard  
And she was taking off her dress  
And she was moving very slowly  
Rising up above the earth Moving into the universe  
And she's drifting this way and that  
Not touching the ground at all  
And she's up above the yard The world was moving, she was right there with it and she was  
(Hey, hey)  
The world was moving, she was floating above it and she was  
(Hey, hey, hey) She was proud about it, no doubt about it  
She isn't sure about what she's done  
No time to think about what to tell him  
No time to think about what she's done  
And she was  
(Hey hey, hey hey, hey)  
And she was looking at herself  
And things were looking like a movie  
She had a pleasant elevation  
She's moving out in all directions  
Oh, oh oh Hey, hey, hey  
Hey, hey, hey  
Hey, hey, hey The world was moving, she was right there with it and she was  
(Hey, woo hoo)  
The world was moving, she was floating above it and she was  
(Hey, hey) Joining the world of missing persons and she was  
Missing enough to feel all right and she was And she was  
And she was  
And she was...
