

# It's a Rainy Day

## Ice MC

Do you remember  
Before the rain came down  
You were so full of life  
So bring that right back round  
It's a rainy day  
It's a rainy day  
It's a rainy day

Hum an him bredin  
Deh ina everything togeda  
Gyal dem catchin'

Bubblin' pan di rydim  
After the school year  
Done Billy did loose sight of him  
Many many time pas by  
An him hear  
Him friend hustin'  
Drop ina di trap fi di double  
An him recieve bullit  
Billy feel bad bredin dead an bury  
It's a rainy da  
Yeah the sun will shine  
It's a rainy day

It will turn out right  
It's a rainy day

What a very terable thing  
When the family dem strugglin'

Of what rainy day bring

Yes da bad times in life is like a telephone  
You never know when it ago ring

But when it ring  
Just pick it up an receive  
When you finish  
Put down the receiver and carry on  
'Cause the sun will always shineIt's a rainy day
