Wildfire (feat. Amy Grant)

Michael Martin Murphey

She comes down from Yellow Mountain On a dark, flat land she rides On a pony she named Wildfire With a whirlwind by her side On a cold Nebraska nightOh, they say she died one winter When there came a killing frost And the pony she named Wildfire Busted down its stall In a blizzard he was lost She ran calling Wildfire [x3] By the dark of the moon I planted But there came an early snow There's been a hoot-owl howling by my window now For six nights in a row She's coming for me, I know And on Wildfire we're both gonna goWe'll be riding Wildfire [x3] On Wildfire we're gonna ride Gonna leave sodbustin' behind Get these hard times right on out of our minds Riding Wildfire
