

Peel Me a Nanner

Roy Drusky

There I was in all of my innocence
Lovin' you with all of my might
Come to find out I didn't have any cent
You had a different darlin' every night. Peel me a manner toss me a peanut
I'll come swinging from a coconut tree
Peel me a manner toss me a peanut
You sure made a monkey out of me. --- Instrumental ---
I gave you kisses and I gave you lovin'
Tried to please your every little whim
At all I laid it up to a big bad nothin'
Last night you uped and ran away with him. Peel me a manner toss me a peanut
I'll come swinging from a coconut tree
Peel me a manner toss me a peanut
You sure made a monkey out of me. Peel me a manner toss me a peanut
I'll come swinging from a coconut tree
Peel me a manner toss me a peanut
You sure made a monkey out of me.
Peel me a manner toss me a peanut
I'll come swinging from a coconut tree
Peel me a manner toss me a peanut
You sure made a monkey out of me...
