

Stand Out

Tevin Campbell

Open up your eyes
Take a look at me
Get the picture fixed
In your memory
I'm driven by the rhythm
Like the beat of a heart
And I won't stop until I start
To stand out
To stand out Some people settle for the typical thing
Livin' all their lives waitin' in the wings
It ain't a question of if
Just a matter of time
Before I move to the front of the line Once you're watching every move that I make
You gotta believe that I got what it takes
To stand out
Above the crowd
Even if I gotta shout out loud
'Til mine is the only face you see
Gonna stand out
'Til you notice me If the sticky wheel's always gettin' the grease
I'm totally devoted to disturbing the peace
And I'll do it all again when I get it done
Until I become your number one No method to the madness and no means of escape
Gonna break every rule I'll bend 'em all outta shape
It ain't no question of how just a matter of when
You get the message that I'm tryin to send I'm under a spell
I'm in over my head
And you know I'm goin' all of the way to the end
To stand out
Above the crowd
Even if I gotta shout out loud
'Til mine is the only face you see
Gonna stand out
'Til you notice me, yeah If I could make you stop and take a look at me
Instead of just
(Walkin' by)
There's nothin' that I wouldn't do
If it was gettin' you to notice
(I'm alive) All I need is half a chance
A second thought
A second glance to prove
I got whatever it takes

It's a piece of cake To stand out
Above the crowd
Even if I gotta shout out loud
'Til mine is the only face you see
Gonna stand out, stand out, hey Stand out
Yeah, yeah, yeah, yeah
Stand out, mmm
'Til mine is the only face you see
Gonna stand out
'Til you notice me
