Livin' la Vida Loca

Ricky Martin

She's into superstitions Black cats and voodoo dolls

I feel a premonition

That girl's gonna make me fallShe's into new sensations

New kicks in the candlelight

She's got a new addiction

For every day and nightShe'll make you take your clothes off

And go dancing in the rain

She'll make you live her crazy life

But she'll take away your pain

Like a bullet to your brain

Come on!

Upside, inside out

She's livin' la vida loca

She'll push and pull you down

Livin' la vida loca

Her lips are devil red

And her skin's the color mocha

She will wear you out

Livin' la vida loca

Come on!

Livin' la vida loca

Come on!

She's livin' la vida locaWoke up in New York City

In a funky cheap hotel

She took my heart and she took my money

She must've slipped me a sleeping pill

She never drinks the water

And makes you order French champagne

Once you've had a taste of her

You'll never be the same

Yeah, she'll make you go insane

Come on!Upside, inside out

She's livin' la vida loca

She'll push and pull you down

Livin' la vida loca

Her lips are devil red

And her skin's the color mocha

She will wear you out

Livin' la vida loca

Livin' la vida loca

She's livin' la vida locaShe'll make you take your clothes off

And go dancing in the rain She'll make you live her crazy life But she'll take away your pain Like a bullet to your brain Come on!Upside, inside out She's livin' la vida loca She'll push and pull you down Livin' la vida loca Her lips are devil red And her skin's the color mocha She will wear you out Livin' la vida loca Come on! Upside, inside out She's livin' la vida loca She'll push and pull you down Livin' la vida loca Her lips are devil red And her skin's the color mocha She will wear you out Livin' la vida loca Come on! Livin' la vida loca Come on! She's livin' la vida loca
