

Feel It (feat. Naaz)

Yellow Claw

Everybody's telling me to let go, to let go, no
But they don't know that all I see is ego, yeah ego, no
Stop, hold on, but no, I will never be home
They took all of my pieces, my pieces, my pieces I, when lift up, when lift up
I, won't give up, won't give up Do you feel it? Do you feel it? Do you feel it?
Do you feel it? Do you feel it? Do you feel it?
Do you feel it? Do you feel it? Do you feel it?
Do you feel it? Do you feel it? Do you feel it?
I have lost my fear [?]
Let's go forever floathing in me [?]
Stop, hold on, but no, I will never be home
They took all of my pieces, my pieces, my pieces I, when lift up, when lift up
I, won't give up, won't give up Do you feel it? Do you feel it? Do you feel it?
Do you feel it? Do you feel it? Do you feel it?
Do you feel it? Do you feel it? Do you feel it?
Do you feel it? Do you feel it? Do you feel it? I don't know, I just cannot let go
Cause I cannot throw these feelings out the window
I got this, I got this
Gimme, gimme, I got this
I got this, I got this, feeling, feeling
I got this
Do you feel it? Do you feel it? (do you feel it)
Do you feel it? Do you feel it? (do you feel me)
Do you feel it? Do you feel it? (this feeling)
Do you feel it? Do you feel it? (do you feel me)
Do you feel it? Do you feel it? (do you feel me)
Do you feel it? Do you feel it?
Do you feel it? Do you feel it?
Do you feel it? Do you feel it?
Do you feel it? Do you feel it?
