Lord, have mercy, momma done raised a real thug

Me and my daddy cool but he showed me tough love

Fifteen, I was asked out gettin' grown

By this time my old man had just moved on Momma couldn't drive so she didn't have a car

And I could still see my T lady walkin' far

Sweat on her face, purse and a grocery bag

Me and my sister shit that's all we ever hadStuck my chest out became the man of the house

Now I'm the bread winner, go get it at any cost

Flippin' burgers, washing cars and cutting yards

I graduated to cooking soft and selling hardHighschool is over with I'm on a path

To mo hoes mo dough and a new slab

I'ma B.G hard headed so fly

But I'ma gangsta and like this till I die

(Know wut I'm sayin')

Catch a pistol case fo' I leave it at the crib

Welcome to Hershelwood, soldiers get it how they liveA million blocks but they all end at one

road

The streets a motherfucker ride till the car explode

Niggas, lose your vests I'm taking head shots

Fuck a new story evidents and sub blocksPressure bust a pipe kept it real and stayed at it

Them old snitch niggas know the game and still ratted

I'm at the weed house wit 20 bags and 3 for ten

I had a closed mind, I wasn't listening back thenStuck in one spot trying to learn to manage money

Fuck them air jordens, the sky ain't forever sunny

Keep a full clip jackers might wanna visit

I'ma G chasin' down the same meal ticket

(Know wut I'm sayin')

(That's right)Gots to be a G till the day that I die

Gots to be a G till the day that I die

(Real talk)Gots to be a G till the day that I die

Gots to be a G till the day that I die

Gots to be a G

(O.Gs stand up)Gots to be a G

(Crones da bricks, nigga)

Gots to be a G

(I come from nothing)

(Ha, ha)Gots to be a G till the day that I die
