

# If You Want Me to Stay (feat. Kirk Whalum)

## Wayman Tisdale & Kirk Whalum

If you want me to stay, I'll be around today  
To be available for you to see  
I'm about to go there then you'll know  
For me to stay here, I've got to be me You'll never be in doubt that's what it's all about  
You can't take me for granted and smile  
Count the days I'm gone, forget reachin' me by phone  
'Cause I promise I'll be gone for a while And when you see me again, I hope that you have been  
The kind of person a that you really are now  
You got to get it straight, how could I ever be late  
When you're my woman, taking up my time  
Oh how could I ever allow, I guess I wonder how  
I could get out a pocket for fun  
When you know that you're never number two  
Number one's gonna be number one I'll be good, I wish I could  
(I'll be good, I wish I could)  
Get this message over to you now  
(This message over to you now)  
And when you see me again, I hope that you have been  
The kind of person a that you really are now  
I'll be so good, I wish I could  
Get this message over to you now Get this message over to you now  
I'll be so good, I wish I could
