

If You Want Me to Stay (feat. Kirk Whalum)

Wayman Tisdale & Kirk Whalum

If you want me to stay, I'll be around today
To be available for you to see
I'm about to go there then you'll know
For me to stay here, I've got to be me You'll never be in doubt that's what it's all about
You can't take me for granted and smile
Count the days I'm gone, forget reachin' me by phone
'Cause I promise I'll be gone for a while And when you see me again, I hope that you have been
The kind of person a that you really are now
You got to get it straight, how could I ever be late
When you're my woman, taking up my time
Oh how could I ever allow, I guess I wonder how
I could get out a pocket for fun
When you know that you're never number two
Number one's gonna be number one I'll be good, I wish I could
(I'll be good, I wish I could)
Get this message over to you now
(This message over to you now)
And when you see me again, I hope that you have been
The kind of person a that you really are now
I'll be so good, I wish I could
Get this message over to you now Get this message over to you now
I'll be so good, I wish I could
