

Know You (feat. Simi)

LADIPOE & Simi

[Chorus]

I really wanna tell you how my day went
Really want to spend a weekend
I for?show?you this thing?I'm feeling (ohh yeah)
But I don't?really know you that well I really wanna kiss you in?the?face?baby
And maybe every?other place baby
E?be like say
I no remember say ahh
Say I don't really that well
Ehh ehh[Post-Chorus]
We can go there if you
(If I)

If you want to rock me I don't know
(Oh no)

Why I think I love you
When I don't really know you that well
We can go there if you
(If I)

If you want to rock me I don't know
(Oh no)

Why I think I love you
When I don't really know you that well
[Verse 1]

I'm too polite hann
To insult your intelligence why
Do I believe that we have met
Maybe not in these life
Time's frozen for a second
So I'm thinking tonight
Break the ice or better still we can set it aside
Temporarily my temperature is telling that
You got me so hot stuck
Girl there is no remedy yeah
But you don't know me well enough to reply
And I don't really know you that well
It's funny you have something in your teeth
But would you try to stop me
If I want to take it out
'Cause you don't know me properly
Girl I think you love me
But you turn this bad boy into a busybody
I see you're too busy for me

Or maybe I'm just busy for me
Will you call me when you're ready for me ?
It's crazy baby
How I don't care at all
That I don't really know you that well
[Chorus]
I really wanna tell you how my day went
Really want to spend a weekend
I for show you this thing I'm feeling (ohh yeah)
But I don't really know you that well
I really wanna kiss you in the face baby
And maybe every other place baby
E be like say
I no remember say ahh
Say I don't really know you that well
Ehh ehh[Post-Chorus]
We can go there if you
(If I)
Want to rock me I don't know
(Oh no)
Why I think I love you
When I don't really know you that well We can go there if you
(If I)
Want to rock me I don't know
(Oh no)
Why I think I love you
When I don't really know you that well
[Verse 2]
So you be my controller
See me see this paroler
I just want to come home to you
Spend every night
Telling bad jokes to you
Be my boyfriend
I'll be your Beamer boyfriend dreams
I go baby with my boyfriend jeans
If you want my boyfriend
I'd be your Beamer boyfriends dreams
But I don't really know you that well
I wanna go home with you
Do this life with you
Ride or die for you
But I don't really know you that well [Chorus]
I really wanna tell you how my day went
Really want to spend a weekend
I for show you this thing I'm feeling (ohh yeah)
But I don't really know you that well I really wanna kiss you in the face baby
And maybe every other place baby
E be like say

Say I don't really knew you that well
Ehh ehh[Post-Chorus]
We can go there if you
(If I)
Want to rock me I don't know
(Oh no)
Why I think I love you
When I don't really know you that wellWe can go there if you
(If I)
Want to rock me I don't know

Why I think I love you
When I don't really know you that well[Outro]
