

Homegrown

Zac Brown Band

I got a piece of land out in the country side,
lay back and smell the sun warm up the Georgia pine.

Been so good to me, takin' it easy.

Why would I ever leave? Cause I know,

I got some good friends that live down the street,
Got a good lookin' woman with her arms 'round me,
live in a small town where it feels like home,
I've got everything I need, and nothin' that I don't. Homegrown
Homegrown

We got a fire goin', down by the riverside.

Sip whiskey out the bottle, livin' like we'll never die.

C'mon and stay a while if you don't believe me. Cause I know,
I got some good friends that live down the street,
got a good lookin' woman with her arms 'round me,
live in a small town where it feels like home,
I've got everything I need, and nothin' that I don't. Homegrown
Homegrown
Homegrown

Homegrown I got some good friends that live down the street
got a good lookin' woman with her arms 'round me
live in a small town where it feels like home

I've got everything I need (homegrown) and nothin' that I don't (homegrown).

Everything I need (homegrown) and nothin' that I don't (homegrown).

It's the way that you carry it for the things you think you want

It's the way that you carry it for the things you think you want

(The way that you carry)

It's the way that you carry it for the things you think you want I've got everything I need, nothin'
that I don't (homegrown)

Everything I need, nothin' that I don't (homegrown)

Everything I need, nothin' that I don't (homegrown)

Ooh everything I need, and nothin' that I don't (homegrown)
