

In My Arms (Bimbo Jones Radio Edit)

Plumb

Your baby blues
So full of wonder
Your curly cues
Your contagious smile
And as i watch
You start to grow up
All I can do
is hold you tight
Knowing clouds will rage in
Storms will race in
But you will be safe in my arms
Rains will pour down
Waves will crash around
But you will be safe in my arms
Story books are full of fairy tales
Of kings and queens and the bluest skies
My heart is torn just in knowing
You'll someday see the truth from lies
When the clouds will rage in
Storms will race in
But you will be safe in my arms
Rains will pour down
Waves will crash around
But you will be safe in my arms
Castles - they might crumble
Dreams may not come true
But you are never all alone
'Cause I will always,
Always love you
Hey I,
Hey I,
When the clouds will rage in
Storms will race in
But you will be safe in my arms
Rains will pour down
Waves will crash around
But you will be safe in my arms, in my arms
