Midnight At the Oasis

Maria Muldaur

Midnight at the oasis Send your camel to bed Shadows painting our faces Traces of romance in our heads Heaven's holding a half moon Shining just for us Let's slip off to A sand dune, real soon

And kick up a little dustCome on, cactus is our friend

He'll point out the way

Come on, til the evening ends

Til the evening ends

You don't have to answer

There's no need to speak

Γll be your belly dancer, prancer

And you can be my sheikI know your Daddy's a sultan

A nomad known to all

With fifty girls to attend him

They all send him

Jump at his beck and callBut you won't need no harem, honey

When I'm by your side

And you won't need no camel, no no

When I take you for a rideCome on, cactus is our friend

He'll point out the way

Come on, til the evening ends

Til the evening ends

Midnight at the oasis

Send your camel to bed

Got shadows painting our faces

And traces of romance in our headsOh come on, oh come on Woo hoo hoo, yeah, oh yeah
