## Low Rider

## War

All my friends know the low rider

The low rider is a little higher

Low rider drives a little slower

Low rider is a real goerLow rider knows every street, yeah

Low rider is the one to meet, yeah

Low rider don't use no gas now

Low rider don't drive too fastTake a little trip, take a little trip

Take a little trip and see

Take a little trip, take a little trip

Take a little trip with me
