Stunna shades, fluid in my kup  
We up in da klub, we gon' tear it up

But I got my stunnas on  
They don't wanna let me in da klub wit' 'em on  
Say I'm lookin' like a thug wit' 'em on  
I take 'em off I get in and put 'em right back on  
You'll neva catch yo boy without his stunnas onBig whips or rocks we gon' get 'em  
Loose lips ain't leavin' out now we wit' 'em  
Any top notch dyme in ya city we wit' 'em  
Don't stop late night till da morn keep da stunnas onIf its fly or flashy, yes, we wit' it  
Got kicks so quick da first to go get it  
Before you approach dat dyme prolly already hit it

Got kicks so quick da first to go get it  
Before you approach dat dyme prolly already hit it  
Don't waist time steady on my grind wit' ma stunnas on  
Soon as we walk in, watch yo' chick  
'Cause you know yo' chick is gonna watch me  
Bet she gonna like what she see  
'Cause I always got my stunnas on  
Soon as we walk in, watch yo' chick  
'Cause you know yo' chick is gonna watch me  
Bet she gonna like what she see  
'Cause I always got my stunnas on  
Stunnas on
