## **Rival the Eminent (feat. Lawrence Arnell)**

## **Jedi Mind Tricks**

Listen y'all do not want beef I will eighy-six a pussy La Couspaude I ain't talking to this [?] if im not gon beef If i take an L, I take an L and that's on me, you see I waited all day, mama gravy made And if the bitch behave herself, I'll take her down to Katie Spade You disrespect me, I Glock a pussy like Flavor Flav The Ghost Rider, the coat rider, the [?] And you don't want an issue with the kings Cause motherfuckers walk around with pistols in their jeans It ain't always as superficial as it seems Cause we had a little issue that was ripping at the seams But now we back again on a Stoupe track again Heavenly divine when I told you about the Vatican We smoking wakata sippin' on the yak again Edwin died so we had to get up out the trap again Time travelin' swords rattle we cry battle Jackets is full metal we be throwin' em at you Build you a shrine have your people make you a statue That's what happens when disaster comes natural Either we shoot the guns or we shoot the five But either way you shootin with Vinnie is choosin suicide I ain't tryna fuck around with y'all or catch a 2-5

But I ain't gon' let you disrespect me you will lose your lives (you motherfuckers will die)

C'mon why you tryna compete dude?

Break your fuckin' neck now your only option to eat soup

Chop the mafucker up

I don't need a complete loop
d stoupe just needed a couple minutes to

Me and stoupe just needed a couple minutes to recupe'

And I ain't got the whole entire fam in yet

There's a bunch of shit that i ain't got my hand in yet Listen, you can't even walk that shit

You got jewels i will make you come up off that shit stupid

I ain't made haj yet, but imma do it soon

Momma still crack me in the head with a wooden spoon

C'mon dummy why you do that for?

I'm the hack saw, crack y'all 2x4 yeah

Time travelin' swords rattle we cry battle

Jackets is full metal we be throwin' em at you

Build you a shrine have your people make you a statue

Thats what happens when disaster comes natural
