

# I Can't Wait to Meetchu

Macy Gray

I tried to live without you  
What a misery it turned out to be  
Sorry for the times I doubted you  
Can't seem to get nowhere 'less you're next to me  
And everyday I wonder what it would be like  
Just to see the one who's always by my side  
Lookin out for you and I  
I do my best to do right got to get to the way up high  
Oh my lord, I can't wait to meetchu  
Love the life I'm livin though I'm lookin forward to the day I die  
Oh my lord, I can't wait to meetchu  
So glad to have a love that's true  
And I wanna thank you now for seeing me through  
I'll never be the fool to go astray  
Gonna stick with you always  
And everyday I wonder what it would be like  
Just to see the one who's always by my side  
Lookin out for you and I  
I do my best to do right got to get to the way up high  
Oh my lord I can't wait to meetchu  
Love the life I'm livin though I'm looking forward to the day I die  
Oh my lord, I can't wait to meetchu I'll never be enough to give what you give me  
But I could sing my heart out for you and tell everybody  
All that he asks of us is only to believe  
Disappear your low low lows and your woe woe woes  
Just like that, it's a natural fact  
I can't wait 'til he gets back  
I do my best to do right got to get to the way up high  
Oh my lord, I can't wait to meetchu  
Love the life I'm livin though I'm looking forward to the day I die  
Oh my lord, I can't wait to meetchu
