

# Level Up

Ciara

Five, four, three, two, one  
Leggo! (watch me)  
Level up, level up, level up, level up, level up  
Level up, level up, level up, level up, level up  
All this on me so yummy, all this sauce so yummy  
Know you want this yummy, yummy all in your tummy  
Level up, level up, level up, level up, level up  
Level up, level up, level up, level up, level up  
All this on me so yummy, all this sauce so yummy  
Know you want this yummy, yummy all in your tummy  
Them old mistakes are gone, I won't do  
them no more  
That's old news, there's new news, I done did that before  
I turned nothing to something, my comeback on one hunnid'  
Less talking, more action, you just gon' see Ci coming  
I just keep elevating, no losses, just upgrading  
My lessons, made blessings, I turned that into money  
Thank God I never settled, this view is so much better  
I'm chilling, I'm winning, like on another level  
Oh, you can talk all you want  
See me, I stayed prayed up  
Nothing I'm afraid of  
And I can have it all  
Five, four, three, two, one  
Leggo! (watch me)  
Level up, level up, level up, level up, level up  
Level up, level up, level up, level up, level up  
All this on me so yummy, all this sauce so yummy  
Know you want this yummy, yummy all in your tummy  
Level up, level up, level up, level up, level up  
Level up, level up, level up, level up, level up  
All this on me so yummy, all this sauce so yummy  
Know you want this yummy, yummy all in your tummy  
Fake friends get dropped like weight  
Team love, don't want no hate (nope)  
I'm grindin', I'm shinin'  
Up, up, up on my way  
Thank God I never settled  
This view is so much better  
I'm chilling, I'm winning  
Like on another level  
Oh, you can talk all you want  
See me, I stayed prayed up  
Nothing I'm afraid of  
And I can have it all  
Five, four, three, two, one

Leggo! (watch me)  
Level up, level up, level up, level up, level up  
Level up, level up, level up, level up, level up  
All this on me so yummy, all this sauce so yummy  
Know you want this yummy, yummy all in your tummyLevel up, level up, level up, level up,

Elevate your level, le-le-le-level  
Graduate your level, there's no one on it  
Nah, nah, nah (ay)All this oh so level, on another level  
Elevate your level, le-le-le-level  
Graduate your level, there's no one on it  
Nah, nah, nah (ay)Level up, level up, level up, level up, level up  
Level up, level up, level up, level up, level up  
All this on me so yummy, all this sauce so yummy  
Know you want this yummy, yummy all in your tummy  
Level up, level up, level up, level up, level up
