

Baby Say Yes

Marvin Gaye & Kim Weston

KW: Yeah yeah, yes indeed

MG: Mmmm yes indeed

KW: Will you be lovin' me tomorrow

Just like you're lovin' me today?

Oh & always treat me right

Never ever fuss & fight

Come on baby, let me hear you say, say it for me

MG: Yes indeedMG: & when I ain't got no money

Will you still be lovin' me, honey?

Hmmm & when things go wrong

Tell me, will you love me strong?

Come on baby, let me hear you say

KW: Yes indeed

MG: Say it again--KW: Yes indeed

BOTH: We had such a beautiful love affair

Now we have each other

Vow to love no other

& our love's beyond compare, oh yes indeed

MG: Now yes indeed

KW: Will you be lovin' me tomorrow

Just like you're lovin' me today?

MG: Tell me, when things go wrong

Will you love me strong?

KW: & I depend on you

To always see me through

MG: Sugar, I'll be standin' there

KW: Whenever I need you; let me

MG: Yeah yeah

BOTH: Yes indeed

(repeat & fade): Uh huh, oh yeah, yes indeed
