

# I See Your Smile

Gloria Estefan

I, get a little tongue twisted  
Every time I talk to you  
When I see you And I'm so glad that you just missed it  
The way I stared  
To memorize your face. To kiss you in my mind  
Love you all the time Chorus:  
'Cause when I close my eyes  
I still can see your smile  
It's bright enough to light my life  
Out of my darkest hour  
Please believe it's true  
When I tell you I love you  
I've taken too many chances  
Searching for the truth in love  
That's in my heart Tell me if I made the wrong advances  
Tell me if I've made you feel ashamed  
'Cause I know I have to do this  
Would you hold my hand right through it Chorus:  
'Cause when I close my eyes  
I still can see your smile  
It's bright enough to light my life  
Out of my darkest hour  
Please believe it's true  
When I tell you I love you  
I had to let you know  
Just what would happen  
Yes, I had to let  
You know the truth  
I know I've got to do this  
Would you hold my  
Hand right through it  
Would you Repeat Chorus I know this  
Is true when I  
Tell you I love you
