My body was stunnin wondering when if im gonna get them draws

come through balling like i really dont give a fuck
blowing a fatty of the purple with the windows up
while im sipping on Hennessey and Hypnotiq getting stuck
and i need a gurl
to carry me when them haters be attacking me
backing me into a corner
while a brotha trying to get thurs
and i need a queen backing me
while i'm running my faculty
telling me i'm lethal when i spit words
hit herb (ooooooh)
hold it then blow it out
do u like the way i flow it out?
dont eva act funny or petty with money when i throw it out

Do you like how i talk?

Do u like the way I pimp freeze?
I can let down easy
