I'm Designer

Queens of the Stone Age

My generation's for sale, beats a steady job How much have you got? My generation don't trust no one It's hard to blame, not even ourselves The thing that's real for us is fortune and fame All the rest seems like work It's just like diamonds in shitI'm high class, I'm a whore, actually both Basically I'm a pro We've all got our own style of baggage Why hump it yourself?You've made me an offer that I can refuse Course either way I get screwed Counter proposal, I go home and jerk off It's truly a lie I counterfeit myself It's truly a lie I counterfeit myselfYou don't own, you don't own You don't own, you don't own You don't own what none can buy You don't own, you don't own Neither do IHigh and mighty you say selling out is a shame Is that the name of your book? Push a silver spoon in your ass No more holding us downDog, down mutt, nice muttYou're insulted, you can't be bought or sold Translation: offer too low You don't know what you're worth, it isn't much My piano is for sale How many times must I sell myself Before my pieces are gone? I'm one of a kind, I'm designerNever again will I repeat myself Enough is never enough Never again will I repeat myselfIt used to be the plan was screwing the man Now it's "have sex with the man" After he buys you ".com" for sale At a low, low priceIt's truly a lie I counterfeit myself It's truly a lie I counterfeit myselfYou don't own, You don't own You don't own me You don't own what none can buy You don't own, you don't own what none can buy Neither do I
