

Peacemaker

Green Day

Well, I've got a fever, a non-believer, I'm in a state of grace
For I am the Caesar, I'm gonna seize the day
Well, call of the banshee hey, hey, hey, hey, hey, hey, hey
As God is my witness, the infidels are gonna pay Well, call the assassin, the orgasm, a spasm of
love and hate
For what will divide us? The righteous and the meek
Well, call of the wild hey, hey, hey, hey, hey, hey, hey
Well, death to the girl at the end of the serenade Vendetta, sweet vendetta
This Beretta of the night
This fire and the desire
Well, shots ringing out on a holy parasite
Well, I am a killjoy from Detroit, I drink from a well of rage
I feed off the weakness with all my love
Well, call up the captain hey, hey, hey, hey, hey, hey, hey
Well, death to the lover that you were dreaming of Well, this is a stand off, a Molotov, cocktail's
on the house
You thought I was a write off, you better think again
Well, call the peacemaker hey, hey, hey, hey, hey, hey, hey
I'm gonna send you back to the place where it all began Vendetta, sweet vendetta
This Beretta of the night
This fire and the desire
Well, shots ringing out on a holy parasite
Well, now the caretaker's the undertaker
So I'm gonna go out and get the peacemaker
This is the neo St. Valentine's massacre
Well call up the Gaza hey, hey, hey, hey, hey, hey, hey
Well, death to the ones at the end of the serenade Well, death to the ones at the end of the
serenade
Well, death to the ones at the end of the serenade
Well, death to the ones at the end of the serenade
