

Find a Way (feat. Rudy)

Dirty South

Til our world's collide, I'm here forever
Until I'll find you
And signs on my side, I'll wait forever
I know I'll find you
I will find a way
I will find a way
I will find a way

Til our world's collide, I'm here forever
Until I'll find you
And signs on my side, I'll wait forever
I know I'll find you
I will find a way
I will find a way
I will find a way
I will find a way
I will find a way
I will find a way
