Do What You Gotta Do

Nina Simone

Jimmy WebbDo what you gotta do Come on back see me when you can Man I can understand how it might be Kinda hard to love a girl like me I don't blame you much for wanting to be free I just wanted you to know I've loved you better that your own kin did From the very start it's my own fault What happens to my heart You see I've always known you'd go So you just do what you gotta do My wild sweet love Though it may mean that I'll never kiss Those sweet lips again Pay that no mind Find that dappled dream of yours Come on back and see me when you canNow I know it'll make you feel sad And make you feel so bad They say you don't treat me me like you should They got ways to make you feels no good I guess they got no way to know I've had my eyes wide open from the start And man you never lied to me The part of you that they'll never see Is the part you've shown to me So you just do what you gotta do

Is the part you've shown to me
So you just do what you gotta do
My wild sweet love
Though it may mean that I'll never kiss
Those sweet lips again
Pay that no mind
Find that dappled dream of yours
Come on back and see me when you can
