Antarctica

Men Without Hats

Antarctica - Antarctica Antarctica - Antarctica Ice age is here, right in your town Antarctica, look what you've done And I, I feel like I've cheated your scheme And I, I feel like you really know what I mean Nightfall's heartbeat, the street's in a mess On reflector, the beach is endless And I, I feel like I've cheated your scheme And I, I feel like you really know what I mean It's my turn - It's my turn Antarctica - Antarctica No day, no night, and always the sound Ice pressure It's me that's found And I, I feel like I'm really part of your scene And I, I feel like you know what I mean Pictures moving, and always the whirls Antarctica, where are you now And I, I feel like I'm really part of your scheme And I, I feel like you're loosing your dream Antarctica - Antarctica Antarctica - Antarctica And I, I feel like you know what I mean And I, I feel like I'm really lost in your seam It's my turn - It's my turn It's my turn - It's my turn It's my turn - It's my turn Song Discussions is protected by U.S. Patent 9401941.
