

Just Like Jesse James

Cher

You're strutting into town
like you're slinging a gun
just a small town dude
with a big city attitude
honey are you looking for some trouble tonight
well alright
You think you're so bad
drive the women folk wildshoot 'em all down with a flash
of your pearly smile
honey but you met your match tonight
well that's rightYou think you'll knock me off my feet
till I'm flat on the floor
till my heart is crying Indian
and I'm begging for more
so come on babycome on baby
come on baby show mewhat that loaded gun is for
If you can give it I can take it
'cause if this heart is gonna break
it's gonna take a lot to break it
'cause I know tonightsomebody's gonna win the fight
So if you're so tough
come on and prove it
your heart is down for the count
and you know you're gonna lose it
tonight you're gonna go down in flames
just like Jesse JamesYou're an outlaw loverand I'm after your hide
well you ain't so strong
won't be long till your hands are tied
tonight I'm gonna take you in dead or alive
that's rightYou break the laws of love
in the name of desire
take ten steps back
'cause I'm ready baby aim and fire
baby there's nowhere you're gonna run tonight
ooh that's right
Well you've had your way with love
but it's the end of the day
now a team of wild horses
couldn't drag your heart away
so come on baby
come on baby
come on baby you know
there ain't nothing left to say
If you can give it I can take it

'cause if this heart is gonna break
it's gonna take a lot to break it
I know tonight
somebody's gonna win the fight
So if you're so tough
come on and prove it
your heart is down for the count
and you know you'll gonna lose it
tonight you're gonna go down in flames
just like Jesse James
You can knock me off my feet
till I'm flat on the floor
till my heart is crying Indian
and I'm begging for more
so come on baby
come on baby
come on baby
come on
If you can give it I can take it
'cause if this heart is gonna break
it's gonna take a lot to break it
I know tonight
somebody's gonna win the fight
So if you're so tough
come on and prove it
your heart is down for the count
and you know you're gonna lose it
tonight you're gonna go down in flames
just like Jesse James
Tonight you're gonna go down in flames
just like Jesse James
tonight you're gonna go down in flames
just like Jesse James
I'm gonna shoot you down Jesse James
