

# I Don't Need It

Jamie Foxx

Uh, ladies and gentlemen  
We have someone very special here this evenin'  
Who's gonna perform for us, yeah, Jamie Foxx You got money, you got plenty to show  
And that's funny 'cause I've seen him before  
You wanna hold my hand, you wanna hold my dough  
You got love for sale, I don't need it Chick, ah, ah  
I don't need it, chick, ah, ah  
I don't need it, chick, ah, ah  
I don't need it, chick, ah, ah  
I don't need it, chick, ah, ah I don't need it, chick, ah, ah
