

# Turn Me to Love

[Keith Whitley](#)

I may not look like much  
But I think that with your touch  
I could be somebody you'd be proud of  
Lend me a hand, understand  
I've been such a lonely man  
Help me find the hope that I've run out of  
Turn me around, turn me on, turn me to love(Chorus:)  
Break these chains, that surround my heart  
They've been there long enough  
Take my life, you could fix it up  
Turn me around, turn me on, turn me to love I do believe that you will know just what to do  
You can help me find a new direction  
I need to live for a change get my world rearranged  
I think you might be my love connection  
Turn me around, turn me on, turn me to love  
(chorus fades)
