

Wear Your Love

Aly Ryan

When I lay in your arms you fit me perfectly
My minds high maintenance you say that I'm worthy I don't need Couture it's all on the floor
It don't mean nothing as long as I'm yours
When I get anxious or feel insecure
I wanna wear your love
I wanna wear your love So come dress me up in the night
Look at me through your diamond eyes
You give me what money can't buy
I wanna wear your love
I wanna wear your love
I wanna wear your love
Dress me dress me up
All I wanna do is wear your love
Dress me dress me up all I wanna do
I wanna wear your love Cuz when your hands draw lines all over my body
It make me feel like I was made for somebody I don't need Couture it's all on the floor
It don't mean nothing as long as I'm yours
When I get anxious or feel insecure
I wanna wear your love
I wanna wear your love
I wanna wear your love So come dress me up in the night
Look at me through your diamond eyes
You give me what money can't buy
I wanna wear your love
I wanna wear your love
I wanna wear your love
Dress me dress me up
All I wanna do is wear your love
Dress me dress me up
All I wanna do Dress me dress me up
All I wanna do is wear your love
Dress me dress me up
All I wanna do is wear your love Is wear your love
Is wear your love So come dress me up in the night
Look at me through your diamond eyes
You give me what money can't buy
I wanna wear your love
I wanna wear your love
I wanna wear your love Dress me dress me up
All I wanna do is wear your love Dress me dress me up
All I wanna do
I wanna wear your love Dress me dress me up
All I wanna do is wear your love Dress me dress me up

All I wanna do
I wanna do is wear your love I wanna wear your love
I wanna wear your love
