

The Drop (feat. Cherri Voncelle)

Lethal Bizzle

Are you afraid of heights? No.
Are you afraid of flights? No.
Are you afraid of full throttle on a super bike? No.
Are you vicious? No, superstitious? No
Would you trust your best friend with your missus? No.
You like the drum,
You like the bass,
When it drops do you pull a funny face,
Yeah Lucky i'm a front man
I i wouldnt i'd probably be a frontman

Are you afraid of fire?
Do you live to aspire?
If BS was a gass would you be the supplier?
Do you refuse to tire?
Do you you commit to win?
If you took a loss could you take it on the chin?
You like the drum,
You like the bass,
When it drops do you pull a funny face,
Yeah Lucky i'm a front man

I i wouldnt i'd probably be a frontman(hook 1x)
