

# You Rascal You

Hanni El Khatib

I'll be glad when you dead, you rascal, you!  
I'll be glad when you dead, you rascal, you!  
When you dead in your grave,  
No more women will you crave.  
I'll be glad when you dead, you rascal, you! I trust you in my home, you rascal, you.  
I trust you in my home, you rascal, you.  
I trust you in my home,  
You wouldn't leave my wife alone.  
I'll be glad when you dead, you rascal, you You asked my wife to wash your clothes, you rascal,  
you.  
You asked my wife to wash your clothes, you rascal, you.  
You asked my wife to wash your clothes  
And something else I suppose.  
I'll be glad when you dead, you rascal, you!  
I'll be so glad when you dead, you rascal, you!  
I'll be so glad when you dead, you rascal, you!???  
when they bring you dead body end  
I'll be glad when you dead, you rascal, you!
