Hot N Cold (Bimbo Jones Remix Radio Edit)

[Katy Perry](#)

You change your mind like a girl changes clothes
Yeah, you, PMS like a bitch, I would know
And you over think always speak cryptically
I should know that you're no good for me'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're downYou're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make upYou, you don't really wanna stay, no
You, but you don't really wanna go-o
You're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're downWe used to be just like twins, so in sync
The same energy, now's a dead battery
Used to laugh 'bout nothing, now you're plain boring
I should know that you're not gonna change'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're downYou're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make up
You, you don't really wanna stay, no
You, but you don't really wanna go-oYou're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're downSomeone call the doctor, got a case of a love bipolar
Stuck on a roller coaster, can't get off this rideYou change your mind like a girl changes
clothes'Cause you're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're downYou're wrong when it's right
It's black and it's white
We fight, we break up
We kiss, we make upYou're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're downYou're wrong when it's right
It's black and it's white
We fight, we break up

We kiss, we make upYou, you don't really wanna stay, no
You, but you don't really wanna go-oYou're hot then you're cold
You're yes then you're no
You're in then you're out
You're up then you're down
