

Love a Little Stronger

Diamond Rio

I don't leave any room for doubt, when it comes to you and me
You know all about the way I feel inside
You know how hard I tried but that don't mean that I Can't love a little stronger, dig a little
deeper
Go a little farther anything to please you girl
Tonight im gonna start all over
Show you girl what's in my heart
Ohhhhh gonna love a little stronger You tell me you're the lucky one but I see things differently
I have just begun to show that you mean everything to me
I still feel the need to
Love a little stronger dig a little deeper
Go a little farther anything to please you girl
Tonight I'm gonna start all over
Show you girl what's in my heart
Ohhhhh gonna love a little stronger Love a little stronger dig a little deeper
Go a little farther anything to please you girl
Tonight I'm gonna start all over
Show you girl what's in my heart
Ohhhhh gonna love a little stronger
Love a little stronger dig a little deeper
Go a little farther anything to please you girl
Tonight I'm gonna start all over
Show you girl what's in my heart
Ohhhhh gonna love a little stronger Gonna love a little stronger Gonna love a little
stronger Gonna love a little stronger
