

# Sorry Again

## Velocity Girl

it will never happen again  
is a promise i just can't keep  
all alone on the porch  
drifting off to sleep  
i change this much this year  
but i did it for you my dear  
let me stick around  
I'll never let you down well i guess that i was wrong  
well i guess that i was wrong  
i was mistaken all along  
and its hard to admit its the end  
now its hard to admit its the end  
so i'll say i'm sorry again  
and again and again and again  
you wanted to change my mind  
well you falling a bit behind  
it can never be the same  
he refuse to take the blame  
well i guess it happened again  
if already didn't know  
sometimes its hard to believe  
we've sunk so low well i guess that i was wrong  
well i guess that i was wrong  
i was mistaken all along  
and its hard to admit its the end  
now its hard to admit its the end  
so i'll say i'm sorry again  
and again and again and again  
well i guess that i was wrong  
well i guess that i was wrong  
i was mistaken all along  
and its hard to admit its the end  
now its hard to admit its the end  
so i'll say i'm sorry again  
and again and again and again
