

# Sundial

## Wolfmother

In time, you will find  
Many things found in the ordinary  
Could it be, what you see  
Many things are extraordinary Every time when I look at you  
Well I seem to find another thing behind the story  
Every time when I look at you  
Well I seem to find another dream behind the glory And now it seems no time at all  
The sundial wonders  
How could you see nothing at all?  
The sundial wonders on  
Took a walk in the park  
Walkin' all around in the after hour  
Sometimes beneath the light  
To take away all your love and power Every time when I look into  
Well I seem to find another scene behind the story  
Every time when she looks at you  
Well I seem to find another dream behind the glory  
And now it seems no time at all  
The sundial wonders  
How could you see nothing at all?  
The sundial wonders on And now it seems no time at all  
The sundial wonders on
