

I Think I Got You Beat

Sutton Foster & Brian d'Arcy James

Fiona: There are things you don't know. You know, about me, about how rough I had it.

Shrek: What, in that cushy tower of yours?

Fiona: Cushy? Are you kidding?

I had nothing, in that tower

Fighting boredom by the hour! Princess Lonely, walking circles

I had only...

Bare essentials

Army cot

A hot plate and chamber pot.

And every morning I would boil it

No choice, I had no toilet!

Just a view of devastation

Out one window, isolation

In my bedroom

And very little headroom.

Twenty years, I sat and waited

I'm very dedicated

On the walls the days were added

Luckily, those walls were padded!

So...

I think I got you beat

I think I got you beat

Yeah, yeah, yeah I think I got you beat

I think I got you beat.

Shrek: (spoken) Oh, you think so? That was a sad story, but...

I've heard better, I'm just saying

'A' for effort, thanks for playing

Sad to see a princess suffer

But I had it rougher.

Like that time a mob with torches burned my britches

See the scorches

You're just whiney

I had a flaming hiney!

As I fled I had to wonder

If I were torn asunder

Would an ogre go to heaven

Did I mention I was seven?

So...

I think I got you beat

I think I got you beat Yeah, yeah, yeah, yeah I think I got you beat I think I got you beat. Fiona:

No warm regards

Shrek: No Christmas cards Fiona: And every day

Shrek: Was Hell on Earth day
 Fiona: (spoken) Okay, top this!
 I missed my prom!
 Shrek: My dad and mom sent me away...
 It was my birthday.
 Fiona: (spoken) I was sent away on Christmas Eve
 Ha ha!
