## Collie Buddz

Everyday is like a day im kid in wonderland,  
Like a big reggae fan at summerjam  
Understand oh baby you got me  
Ooh, the way you feel make me feel like a kid again  
Especially everytime i work ya middle frame  
Do you Understand oh baby you got me  
Ooh, I've had a look around and i cant fine no other one  
That compares and our love keeps going strong  
And keeps going on no-one can stop we  
And every-time is a time i wanna be with you  
And all the while, girl, i swear you don't know what you do  
Do you Understand oh baby you got me  
Girl your love is like, pause, playback rewind pause  
Playback, playback, pause  
Playback, rewind, play... playback  
Your love is like a soundtrack  
Pause, playback rewind pause  
Playback, playback, pause  
Playback, rewind, play... playback  
Your love is like a soundtrack Like a hit after hit bring it come again  
Make it jump from the top make it come again  
Woman yuh sweet let ya know that im so glad that i got yuh  
Ooh, buy you anything when meh [fly around?]  
Keep yuh fresh and clean like a new record  
Woman yuh sweet, let yuh know every second i want yuh  
Ooh, keep it tight yuh my type anytime yuh call me on the phone  
I'll be there anywhere when you're all alone  
Its automatic and you know that i got ya  
And every-time is a time i wanna be with you  
And all the while, girl, i swear you don't know what you do  
Do you Understand oh baby let me get at you  
Girl your love is like, pause, playback rewind pause Playback, playback, pause  
Playback, rewind, play... playback
