

I Pick My Parties (feat. Toby Keith)

Montgomery Gentry

(Featuring Toby Keith) Well I don't go out all the time, what kinda fool do you think I am
But a rowdy Wednesday nighter, ain't really something you can plan

Gotta be at work by 7 (that's right)

I should be gettin' home (that's right)

I used to do this all the time, but now I really don't

I pick my parties, that's what I do

I wish that I could hit'em all, but I got to pick and choose

I'd be pushing up daisies if I did it every day of the week

So, I pick my parties, oh but sometimes they pick me

Good ones always happen at the most inconvenient time

But once it gets a goin' and is rollin', ain't no slowin' down tonite (oh come on)

That ole' sun might be risin' 'fore I get to bed,

but I make sure it's always with the poundin' in my head

I pick my parties, that's what I do

I wish that I could hit'em all, but you got to pick and choose

I'd be pushing up daisies if I did it every day of the week

So, I pick my parties, oh but sometimes they pick melf I'm gonna do it, I'm gonna do it right

If I'm going out, I'm going out all night

Chorus:

We pick our parties, that's what we do

We wish that we could hit'em all, but we got to pick and choose

We'd be pushing up daisies if we did it every day of the week

So, I pick my parties, oh but sometimes

I pick my parties, oh but sometimes

We pick our parties, oh but sometimes they pick Toby, T and me (How do like us now, baby, .ha

ha ha ha)
