

Hooked On You

Albert Collins

Don't you do it
Lordy so good like that
Don't you do it
Gimme all you got like that Don't you do it
My temperature's shot so high
Don't you do it
My senses is so alive Mercy, mercy I'm a lonely man
Burn all night when the fires fanned I'm goin' hooked on you
Hooked on you
A hooked on you
I'm goin' hooked on you
Don't you tease
Gimme somethin' to hold on tight
Won't you please
I ain't lookin' for just one night Won't ya please
I want ya to please some more
Don't ya tease
Then I'll never let ya go out that door Mercy, mercy I'm a lonely man
Burn all night when the fires fanned I'm goin' hooked on you
I'm goin' hooked on you
Goin' hooked on you
I'm goin' hooked on you Ow baby, I'm so hot with desire
Don't you tease, how long, huh
I'm gettin' higher an' higher
Treat you good
Ow, I might scream for more
Once I get you home
And I'll never let you go Mercy, mercy, I'm a lonely man
Burn all night when the fires fanned I'm goin' hooked on you
I'm goin' hooked on you
I'm goin' hooked on you
I'm goin' hooked on you, ow
