[Piccallo]  
Dammit man (Lil Jon), d-d-dammit man

Dammit man (Lil Jon), d-d-dammit man  
(Pitbull) d-d-dammit man, d-d-dammit man[Pitbull]  
When you see them boys 'round your way, holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)[Piccallo]  
(What? Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
Y'all really can't fuck with us[Pitbull]  
Imma kill 'em in the club with this one  
Imma tear the club the fuck up  
Imma have 'em goin' to war over this one  
Partna, just listenIf you don't want those things to click-clack  
Take a few steps back  
Because I'm playin' for keeps, go ahead keep playin' with me  
And watch how I hit 'em in the head once againFor those who didn't believe in the kid  
Y'all might as well be dead  
Because what y'all thought couldn't be done, I did  
I'm like Ray Charles dawg, I don't see none of y'all  
I'm blind to the fact that half of y'all rap, and I'm outrunnin' y'all  
When I hit 'em from the back  
I got them mamis saying dammit man  
When I put it in they mouthI got them mamis saying duh-huh-huh-muhh (Time out, woo!)  
When I hit 'em from the back  
I got them mamis saying dammit man  
When I put it in they mouthI got them mamis saying duh-huh-huh-muhh  
Put that up dammit  
But me and you both know that these niggas ain't ready  
They're just too petty, I'm just too deadly (Woo!)When you see them boys 'round your way,  
holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)[Piccallo]

(What? Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
Y'all really can't fuck with us[Pitbull]  
Pitbull's that underrated, underdog, killin' the underground  
But that's just an understatement  
It's hard to understand why I'm still underpaid  
Just look in my blue eyes and see the hunger and pain, dammit manBut I don't plan it man,  
because I do what I wanna do, move what I wanna move  
Y'all gonna see what I mean when I live out my dreams  
Imma tell you like Biggie told me, cash rules everything around me  
I could give a fuck about what you say about me  
'Cause when those things get pulled out and squeezed, they'll spray about threeHit 'em up, wet  
'em up, get 'em up, give it up, that's how it goes  
Pit's gon' spit it up, flip it up, rip it up, but I'm a pro (Time out, woo!)  
Hit 'em up, wet 'em up, get 'em up, give it up, that's how it goes  
Pit's gon' spit it up, flip it up, rip it up, but I'm a pro  
So all y'all amateur ass niggas do-don't try to sit home  
Pit's co-co-comin', runnin' gunnin' fo-for that throneWhen you see them boys 'round your way,  
holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)  
When you see them boys 'round your way, holla dammit man! (Dammit man!)[Piccallo]  
(What? Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
Y'all really can't fuck with us(What? Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
(Fuck with us, what?)Y'all really can't fuck with us  
(Fuck with us, what?)  
Y'all really can't fuck with us  
Y'all really can't fuck with us
