

# Happy (feat. Derek Martin)

C2C

You'll never feel happy  
Never feel happy  
No, you won't  
Until you try! You'll never feel happy  
{ You'll never feel happy Until you try! } {x12}  
Everybody needs this  
Everybody needs this happy thing  
Everybody needs this  
Everybody needs this happy thing  
This song is not a gospel song  
This song is not a fuck song  
This song is not a long song But this song is a real song!  
You'll never feel happy } Until you try! } {x9}  
I need to feel happy! Every, everyday!  
And every night!  
Everybody!  
Again and again!  
You know what? You'll never {x8} feel...  
{ You'll never feel happy  
Until you try! } {x6}  
Until you try!  
You'll never feel happy  
Until you try!
