

# Sometimes

Bilal

(Intro)

This is a song that makes me spill out all my guts  
Sometimes Sometimes, I wish I wasn't me  
Sometimes, I wish I was drug free  
Sometimes, wish I saw the exit sign first  
Sometimes, wish I knew the truth without search  
Sometimes, I wish I could go where I never been  
See what I never saw, do what I never did  
Or walk before I could crawl  
Sometimes, I wish my eyes wasn't so red  
Sometimes, I wish I had breakfast in bed  
Sometimes, I mean it's worth it  
Since I did all the work last night  
Sometimes, you ain't good to me, yes  
I am good to you

And you don't see my attention the way that I do Sometimes, hey slim, you should be nicer than  
you are

Sometimes, you take that complaining shit way too far  
I mean, I thought it was cute in the beginning but now  
I think you only do it 'cause you know I hate it  
Sometimes, you got me wishing I didn't have home training  
Sometimes, then it wouldn't hurt me so bad  
With dreams of knocking you in your head  
Then it wouldn't hurt me so bad  
With our kitchen knife put up your ass  
Sometimes, wish I knew life with no pain, yeah  
Wish I held the keys to this game  
Sometimes, I pretend 'cause I'm afraid to be, afraid to be  
Sometimes, I hope I live to see twenty five  
Sometimes, I wish I could be like Moses  
Round up my people, move out the ghetto  
And live a better life  
Sometimes, I wish I didn't try so hard  
Sometimes, who knows truth any way

They don't know nothing, who needs that approval The sun in your hands player  
Move at your own pace, listen to your own mind  
Do your own thing, yeah yeah  
I'm saying it because I love ya  
And I wanna grow with you, yeah yeah  
But you wanna run in the other direction  
So I got to stay on my path until I win  
I win, I win, I win

I wanna win, I wanna win, I wanna win, I wanna win Oh sometimes, sing it with me I wish  
(I wish in love) And I wish, oh I wish  
(I wish in peace) Oh sometimes  
(I wish in hope) I wish hope  
(I wish true) I wish true  
(I wish clearly) Hey I wish so clearly sometimes  
(Wish with no fear) I wish with no fear  
(I have no fear) I have no fear  
(Have no doubt) I have no doubt  
(I don't doubt) I don't doubt  
(Have no doubt) No, I don't doubt  
(Have no doubt, I wish love)  
I wish love, hey hey Ad lib until fade
