

# Consequences

Camila Cabello

[Verse 1]

Dirty tissues, trust issues  
Glasses on the sink, they didn't fix you  
Lonely pillows in a strangers bed  
Little voices in my head  
Secret keeping, stop the bleeding  
Lost a little weight because I wasn't eating  
All the souls that I can't listen to, to tell the truth [Chorus 1]  
Loving you was young, and wild, and free  
Loving you was cool, and hot, and sweet  
Loving you was sunshine, safe and sound  
A steady place to let down my defenses  
But loving you had consequences

[Verse 2]

Hesitation, awkward conversation  
Running on low expectation  
Every siren that I was ignoring  
I'm paying for it [Chorus 1]  
Loving you was young, and wild, and free  
Loving you was cool, and hot, and sweet  
Loving you was sunshine, safe and sound  
A steady place to let down my defenses  
But loving you had consequences

[Chorus 2]

Loving you was dumb, dark and cheap  
Loving you still takes shots at me  
Loving you was sunshine, but then it poured  
And I lost so much more than my senses  
'Cause loving you had consequences
