 stop baby don't stopENGLISH TRANSLATION
 there's no need for trivial reasons, i've known everything since i first saw you, feel it
 up to one hundredth of a second, feel the magic in a delicate minuteall of my nerves are all on
 edge, i want to know you
 strangely and subtly, i'm trembling all overstop baby don't stop, don't stop, baby don't stop
 only i know, that special sign, only us, baby don't stopstop baby don't stop, turn me on and baby
 don't sign
 one by one, the perfect sign, it's beautiful, so baby don't stopplay, play, play, play, play, i play
 the parts
 (not sure about the following part, it's fast)
 exactly what you heard
 i'll shine with warm colours
 all day hold me, hold me tightyou are the flame that revives the flowers you haven't even seen
 leave your body in your senses and dream your dreams
 the tension that is rising between you and me
 i feel so right, sweeter than ever beforestop baby don't stop (don't stop), don't stop, baby don't
 stop
 only i know, that special sign, only us, baby don't stop
 gotta (x4) get that, i will not miss you, gotta get that
 gotta (x4) get that, i will never stop, gotta get thatcotton, wind, blow, blouse
 hair, flowers, aroma, scent
 cold, eyes, ice, dive

 baby i just feel so nicethe perfect sign oh baby give it to me
 stop baby don't stop, don't stop, baby don't stop
 only i know, that special sign, only us, baby don't stopi'll fly faster to reach you, my love
 higher in the sky, i'll find my colours up there
