

# Girls Need Love

## Summer Walker & Drake

Honestly  
Honestly, I'm tryna stay focus  
You must think I've got to be joking when I say  
I don't think I can wait  
I just need it now  
Better swing my way I just need some dick  
I just need some love  
Tired of fucking with these lame niggas baby  
I just need a thug  
Won't you be my plug aye  
You could be the one aye  
Start with a handshake baby  
Imma need more than a hug Girls can't never say they want it  
Girls can't never say how  
Girls can't never say they need it  
Girls can't never say now Girls can't never say they want it  
Girls can't never say how  
Girls can't never say they need it  
Girls can't never say now oh now Give it to me like you need it, baby  
Want you to hear me screaming heavy breathing  
I don't need a reason baby  
I wanna take and find  
I can give it to you right babe oh  
I wanna be your healing  
I can be real good  
Please don't get in your feelings  
Aye I need some love  
Aye I need some love  
Aye I need some love  
Aye and you can't judge Girls need love too (yeah)  
Girls girls need love too  
Girls need love (let me tell you something)  
Girls need love (girls need loving too)  
Girls need love too  
So what's a girl to do when she needs loving too
