

The Sea

Jesse Boykins III

I just wanna hold ya baby
I just wanna hold ya
I just wanna hold ya baby
I just wanna hold ya baby Can I swim in ya ocean
Play along your shore
Be one with emotions baby
It's yu I do adore
You're What I'm lookin for
What I'm lookin for
What I'm lookin for
What I'm lookin for
See all I wanna do is build castles girl
Castles in your sand
Then maybe
To have a chance
To one day be ya king
You're all I'm looking for
What I'm lookin for
What I'm lookin for
God I do adore you
I just wanna go
Deeper deeper deeper I would go
Deeper deeper deeper
Baby girl this ain't for sure now
Your what I'm lookin for sure now
What I'm lookin for
I can't ask for more, more
God I do adore you
I just wanna hold ya baby
