Can't Get Used to Losing You

Andy Williams

Guess there's no use in hangin' 'round Guess I'll get dressed and do the town I'll find some crowded avenue Though it will be empty without youCan't get used to losin' you No matter what I try to do Gonna live my whole life through Loving youCalled up some girl I used to know After I heard her say "Hello" Couldn't think of anything to say Since you're gone it happens every day Can't get used to losin' you No matter what I try to do Gonna live my whole life through Loving youI'll find somebody, wait and see Who am I kiddin', only me 'Cause no one else could take your place Guess that I am just a hopeless caseCan't get used to losin' you No matter what I try to do Gonna live my whole life through Loving you I can't get used to losin' you No matter what I try to do Gonna live my whole life through Loving you Song Discussions is protected by U.S. Patent 9401941.
