

# I Constantly Thank God for Esteban

## Panic! At the Disco

Give us this day our daily dose of faux affliction  
Forgive our sins  
Forged at the pulpit with forked tongues selling faux sermons  
Because I am a new wave gospel sharp, and you'll be thy witness  
So gentlemen, if you're gonna preach  
For God sakes, preach with conviction! Strike up the band!  
Whoa! The conductor is beckoning  
Come congregation, and let's sing it like you mean it  
No, don't you get it don't you get it? Now don't you move Strike up the band!  
Whoa! The conductor is beckoning  
Come congregation, and let's sing it like you mean it  
No, don't you get it don't you get it? Now don't you... move  
Just stay where I can see you  
Douse the lights!  
We sure are in for a show tonight In this little number, we are graced by two displays of  
character  
We've got: the gunslinger extraordinaire, a walking contradiction  
And I for one can see no blood  
From the hearts and the wrists you allegedly slit  
And I for one wont stand for this  
If the scene were a parish, you'd all be condemned Strike up the band!  
Whoa! The conductor is beckoning  
Come congregation, and let's sing it like you mean it  
No, don't you get it don't you get it? Now don't you move Strike up the band!  
Whoa! The conductor is beckoning  
Come congregation, and let's sing it like you mean it  
No, don't you get it don't you get it? Now don't, don't you... move  
Just stay where I can see you  
Douse the lights!  
We sure are in for a show tonight Just stay where I can see you  
Douse the lights!  
We sure are in for a show tonight Just stay where I can see you  
Douse the lights!  
La da ta ta, la da ta ta, la da ta ta... Strike up the band!  
Whoa! The conductor is beckoning  
Come congregation, and let's sing it like you mean it  
No, don't you get it don't you get it? Now don't you move  
Strike up the band!  
Whoa! The conductor is beckoning  
Come congregation, and let's sing it like you mean it  
No, don't you get it don't you get it? Now don't you... move  
Don't you move

Don't you move!  
Strike up the band!
